About eVGA.com

Founded in 1999, eVGA.com has grown exponentially in the channel, first serving the system builder niche, followed by general distribution and then the retail market. eVGA.com offers only graphic cards based on the NVIDIA chipsets and has received world wide acceptance of their products, having shipped millions of cards into the channel. For further information about eVGA.com and its product offerings, visit <http://www.evga.com>.

About id Software

id - Freud's primal part of the human psyche and one of the hottest game shops on Earth - has been rocking the gaming world from Mesquite, Texas since 1991. As a renowned leader in the industry, id Software forged such frenetic titles as Wolfenstein 3D, DOOM, DOOM II, QUAKE and QUAKE II. With intense graphics and mind-blowing action, id's games have helped redefine the modern video game, continually setting industry standards for technology and gameplay. And, in keeping with tradition, id Software has amplified the world of adrenaline pumping 3-D gaming with the release of their latest action titles, QUAKE III Arena, QUAKE III: Team Arena, and Return to Castle Wolfenstein. id's advanced QUAKE III Arena engine is leading the next revolution in 3-D interactive games with both single and multiplayer technology. For more information about id and their offerings please visit id at <http://www.idsoftware.com>.
