

EVGA and Supercom Announce Business Partnership

Brea, California and Toronto, Canada - Thursday, March 5, 2009 □ EVGA Corporation, the leading-edge 3D NVIDIA graphics cards and motherboard manufacturer, today announced a new business partnership with Supercom, one of Canada's premier distributors. The full-line of EVGA graphic cards and partial motherboard products are now available thru Supercom.

"EVGA's first priority has been and will continue to be customer satisfaction; we chose Supercom since we know they will provide outstanding service and coverage for our customer." said Andrew Han, CEO and president of EVGA . "This partnership is consistence with our global growth initiatives."

"Supercom is very happy to announce our new partnership with EVGA. The opportunity to work with a vendor that pays close attention to market needs, and follows through with solutions that make sense, is great news for our company. I am sure that together we will provide our valued customers even better choices as we move into a more cost/quality conscious atmosphere." said Paul Chiu, Senoir Product Manager of Supercom

The EVGA Difference
