

**Spring forward with a free EVGA Backplate!**

**- Friday, April 17, 2015** □ Spring is in the air, and to celebrate EVGA is throwing in a FREE backplate for the EVGA GeForce GTX 970 SSC (04G-P4-3975-KR) and EVGA GeForce GTX 970 SC (04G-P4-2974-KR) graphics cards at participating ETAIL/RETAIL for a limited time! When purchased at participating locations, the backplate will automatically be included with the purchase, all you need to do is a simple installation. (Instructions included). A backplate acts like a backbone on your card, boosting rigidity by providing extra support to the PCB, protecting critical components, reduces GPU temperatures, and most of all, looks great! Offer ends April 30th.

Available at participating ETAIL/RETAIL locations, for full list please visit:
