

FREE UNIGINE Superposition Advanced for EVGA ELITE Members with an EVGA GeForce 10-Series

- Wednesday, May 10, 2017 □ For a limited time, EVGA ELITE Members who own an EVGA GeForce 10-Series graphics card purchased on or after March 1st, 2017 will get a FREE copy of UNIGINE Superposition Advanced Edition, a \$19.95 USD value! UNIGINE Superposition is an extreme performance and stability test for PC hardware, including video card, power supply, and cooling system. Test your rig in stock and overclocking modes with real-life load! Also includes an interactive experience in a beautifully detailed environment.

UNIGINE Superposition Advanced Edition includes the following additional features:

- Compete on the global leaderboard
- Experience VR with Oculus Rift and HTC Vive
- Loop stress-test to check hardware stability

About EVGA ELITE Membership

EVGA ELITE Member status signifies that you are an EVGA customer, a recurring customer of new EVGA products, or someone who contributes to the EVGA community. EVGA ELITE status may entitle you to exclusive offers from EVGA.com or other opportunities that are unavailable to non-ELITE members. There are multiple ways to qualify to be an EVGA ELITE Member, and it's free to join, so sign up today!
