

With EVGA, What You See is What You Get

- **Monday, June 20, 2016** □ EVGA was one of the first graphics card companies to offer overclocked graphics cards, and since day one EVGA always delivered the exact same products to reviewers as well as customers. EVGA does not “fake” reviews or send out products with “tweaked” clocks speeds to reviewers. With EVGA Superclocked, FTW and Classified graphics cards, what you see is what you get.
